Dear Chief Gentry,

I’m writing to thank you for terminating Joshua Jaynes and Myles Cosgrove for their mistakes and misdeeds in the raid that killed Breonna Taylor. These officers, and others, have contributed to a deep seated mistrust among the community. There is no way Louisville can heal from this tragedy while they are still on the force. Many of us are still hoping to see others terminated as well, but realize the importance of this action. I appreciate the difficult situation you’ve taken on and your careful attention to this matter. Thank you for your service to the city. All the best,
